

SUPPORT TEAMS

During this Semester, you will need a team! Your team will be a group that is there for you. You will contact a member on your team if you miss class and need someone to get the lesson for you. You will ask your team questions about class work or homework. Your team is there for you. Also, the team with the most attendees at the end of the semester gets extra credit points! Will your team be the one that wins?

Let's get to know one another!

- Icebreaker!
- Classmate Interviews

All about your team:
